Principal's Message

In coming to Bonnie Doon as your principal, I wanted to be sure that the school climate was one in which you could achieve to the full potential of your scholastic ability. I believe that this is of the greatest importance because it forms a sound basis for the challenges of life that lie ahead.

It was exciting for me to see how the advisor program enabled us to get to know one another, and the way in which it encouraged you to take ownership of the school - remember the painting of the murals, participation in setting the school budget priorities and the student opinion survey.

A yearbook is a source of memories. In it are recorded the events, the students and the staff. It provides you with a record of your years at school - the incidents that enriched your lives and the events that will not be forgotten. Many thanks to the yearbook staff and their advisor who put this record of the 1985/86 school year together for us.

I will certainly remember, as my first exposure to Bonnie Doon, your courtesy and your sense of humour.

To those graduating this year, I extend my best wishes for the future. May the "Spirit of the Lancers" created by our students over the years be an example for you, and I hope that the years ahead will be filled with exciting challenges. To those students who will be returning in 1986/87, may the "Spirit of the Lancers" enrich your lives and make Bonnie Doon a school that will make you proud to be a student here.

GOOD LUCK

"The Cop" of Bonnie Doon

As a new member to B.D.C.H.S., I felt the strong student and staff support for the School Resource Officer Program almost immediately. We all recall the planned cancellation of the Police Education Unit, but due to your letters and public outcry to your elected and appointed officials, it made them very aware of how you feel about the program. Subsequently, the Education Unit was retained.

This being my first year as a Resource Officer, I feel I have only just got my feet wet in accomplishing my objectives. It is gratifying to know that you support me and the Education Unit and your support makes my objectives that much easier to achieve. I would like to thank the students and staff for making my job a lot of fun!!!

"THE COP"

#1400 Cst. McCartney

As a newcomer to Bonnie Doon, Constable McCartney has quickly become a familiar and important part of the school. He has contributed to all aspects of student and staff life at B.D., such as dances, school games, coaching and special events. Not only does he carry out official duties at our school, but also at surrounding schools. Constable McCartney has added a great deal to Bonnie Doon his first year here and we know he will continue to do a fine job in the future.

ABOVE: Oh no, not another accident in the parking lot!

In Memorium

On November 17, 1985, Mrs. Margaret Simpson passed away at the age of 53 years.

Mrs. Simpson began teaching at Bonnie Doon in 1971. She remained here until the fall of 1985 when her illness no longer permitted her to continue.

Mrs. Simpson was very courageous throughout her illness. She didn't let it stop her from doing the things which she loved. She travelled to Europe once again with her family in the summer of 1985. Perhaps what Mrs. Simpson loved most was teaching. She never left her position at Bonnie Doon until three weeks before her death. Her bravery and determination was an inspiration to all.

Mrs. Simpson will always be remembered as a caring teacher. We all loved her sense of humor, which she showed in her stories about her family, her own school days, and the time she spent in France. For those who had Mrs. Simpson as a teacher, we will remember always the warmth we found in her classroom. We will treasure always being one of "ses petits choux". Mrs. Simpson will not only be missed as a teacher, but as a friend.

Bonnie Doon suffered a great loss with the death of Mrs. Simpson, and she will always have a space in the hearts of the students, the teachers, and the school.

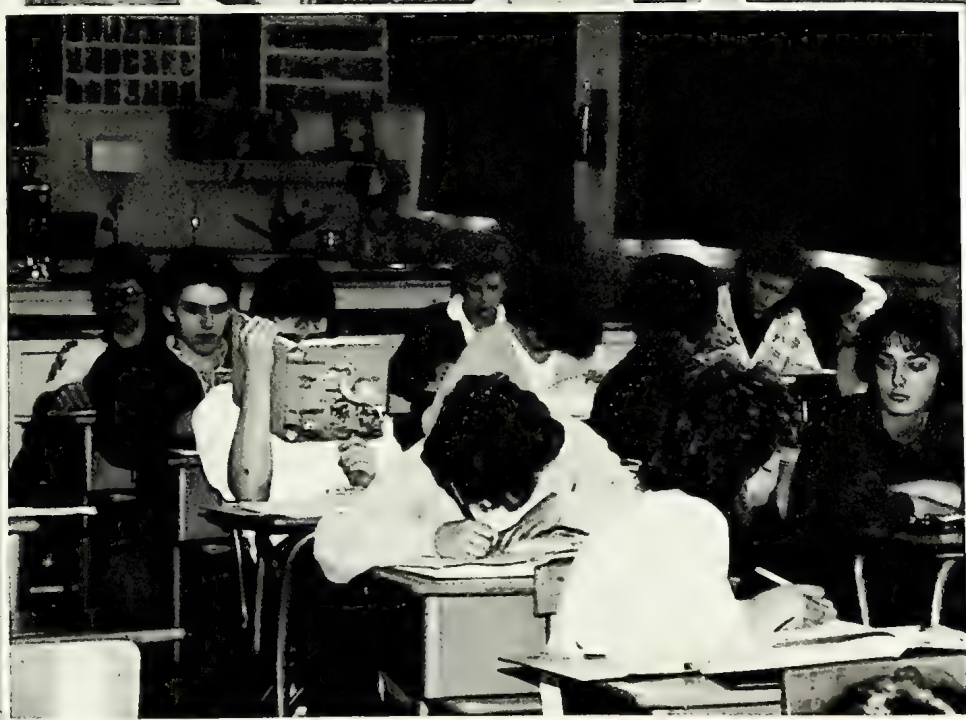

Le 17 novembre, 1985, Mme. Margaret Simpson est morte à l'âge de 53 ans. Mme. Simpson a commencé à enseigner à Bonnie Doon en 1971. Elle est restée jusqu'à l'automne de 1985 quand sa maladie ne l'a pas permise de continuer.

Mme. Simpson était très courageuse pendant sa maladie. Elle ne s'est pas arrêtée de faire les choses qu'elle aimait. Elle a voyagé en Europe avec sa famille pendant l'été de 1985. Peut-être la chose que Mme. Simpson aimait le plus était l'enseignement. Elle n'a jamais quitté sa poste. Elle a continué jusqu'à trois semaines avant sa morte. Son courage et sa détermination était une inspiration à tous.

Mme. Simpson sera toujours souvenue comme un professeur sympathique. On a aimé le sens d'humeur qu'elle a montré dans les histoires de sa famille, ses propres jours à l'école, et le temps qu'elle a passé en France. Pour ceux qui ont eu Mme. Simpson comme professeur, on se souviendra de la chaleur dans sa salle de classe. Toujours, on gardera précieusement la mémoire d'être un de "ses petits choux". Mme. Simpson nous manquera pas seulement comme professeur, mais comme amie.

Bonnie Doon a eu une grande perte avec la morte de Mme. Simpson, et elle aura toujours une place dans les coeurs des étudiants, des professeurs, et de l'école.

Clubs

THE CANADIAN INTERNATIONAL CLUB, spurred from a mulicultural leadership workshop and sponsored by ESL of the EPSB, concerned itself with promoting multiculturalism within Bonnie Doon. Its activities were as diverse as making displays of different countries' cultures, to sponsoring a soccer team. The club hopes the next year will be even more successful than the first.

THE LANTERN put out its annual magazine in early June. This publication was the result of many hours of writing, typing, printing, and editing. Many exelling writers and artists were featured; they show much promise for the future. Many thanks go to all the people who contributed; their enthusiasm, cooperation, and faith in their editor was deeply appreciated. The next year's publication looks very hopeful.

THE KARATE CLUB, in its 3rd year, promoted several students to a higher level; their consistency and commitment was outstanding. The club's goals of self-defence and fitness are met through self-defense techniques, combinations, total fitness, Kata, full and non-contact sparring and meditation. There is also a chance for tournament participation. The martial arts are physically and mentally demanding. Those who meet those demands will discover: The ultimate aim of Karate lies not in victory or defeat, but in the perfection of the character of its participants.

THE PHOTO CLUB is to be commended for a job well done. The yearbook staff and Mr. Blackwell would like to thank the members of the club for all their hard work. Apart from the regular activities of a photo club, this group had a large role in the production of the yearbook. Many of the pictures between these covers were produced in the Industrial Education lab at all hours of the day and early evening. To the photo club, one hour photo could mean that the last game of the season takes place in one hour and a set of team action shots are needed one hour ago for a yearbook deadline.

RADIO BONNIE DOON operated again this year from the school's public address room, playing a variety of music during the noon hours. A constant struggle between students, to keep the volume up; and staff, to keep the volume down, resulted in well-modulated tones om'fing through hallways to entertain students.

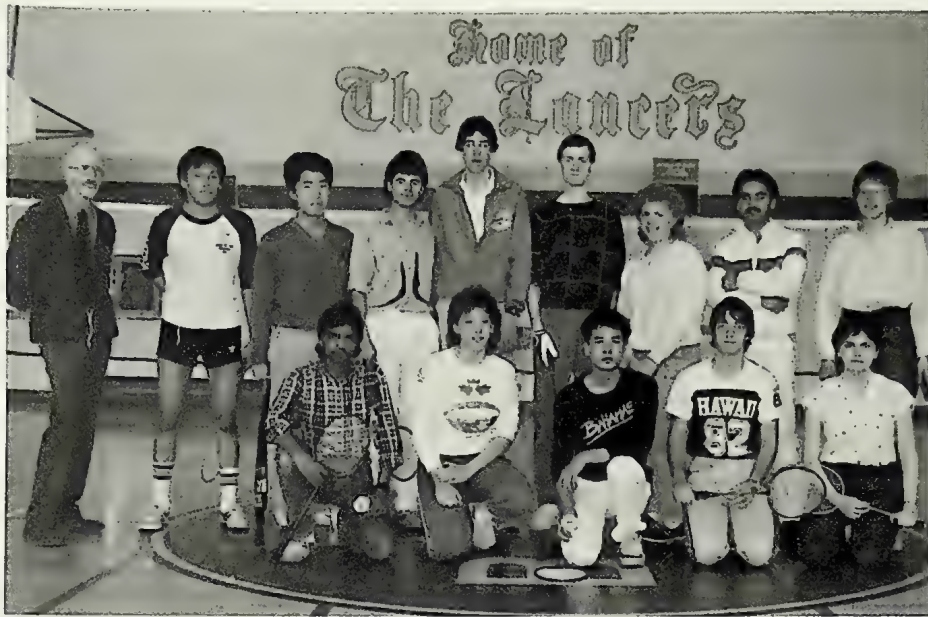

Scott Schilberg, Kevin Boychuk, Sam Kruger, Ingrid Hiob MISSING: Tammy Day, Bruce Woods

THE TABLE TENNIS CLUB operated three times a week during the noon hour. The club was open to anyone who was interested in playing for leisure or competition purposes. Practicing table tennis can increase one's eye-hand coordination as well as the entire body. The club is looking forward to next year.

Quang Tran, Teddy Carizon, Mohamed Osman, Kien Chau, Sok Lay, Mr. Lau

THE BADMINTON CLUB continued at Bonnie Doon and was a very popular activity with many students actively taking part. As in past years, recreational badminton was offered two noon hours a week, with the badminton team meeting on Fridays. The team did very well with two of the boys, Abhay Shah and Dipak Patel, making it to the finals of the City Elimination matches. There was also excellent participation by a number of other individuals. The girls are to be commended without whom it would not have been possible to field a team. The club is looking forward to a bigger and better year.

THE CHESS CLUB was a small, but active group in the school. The club held many tournaments this year in which students participated.

Above...

THE SKI CLUB had more than 100 different students participating in its activities during the school year. There were four very successful trips: Lake Louise in December and again in February; an extended trip to Big White in Kelowna during Spring Break; and a spring trip to Sunshine in mid-May. Many of the skiers are becoming very good, exhibiting good style; several beginners and novices also accompanied the group and were able to improve their skill. Mr. Hugh Ross, the supervisor, since the ski club's inception six years ago, is enthusiastic and positive about the club. The behavior of the students often elicited favorable comments from the bus-drivers, motel staff and ski-slope personnel. The students are to be commended.

THE CYCLE CLUB travelled to Europe in the summer of 1985 and toured six countries during their stay. A good time was enjoyed by all those who participated. This was one experience that will not soon be forgotten. Special thanks go to Darren Eastcott and Fred Ulrich.

School Spirit

President's Message

The past year as President has proven to be an interesting and enjoyable experience. The Student's Union strived to provide a more social atmosphere rather than strictly an academic atmosphere. I'd like to thank all the students and staff who took part in S.U. activities, because without their support, our efforts would not have been so greatly rewarded.

This year's goal was to promote and strengthen school spirit by total student participation. I hope that everyone gained some new enthusiasm and made some very special memories.

Finally, I wish to extend my gratitude, especially to my mentor, Mr. Hugh Ross and to the rest of the S.U. executive; for without their constant help and support, this year would not have been possible.

A Good Year for the Music Department

The 1985-86 school year was a very busy one for the MUSIC GROUPS at Bonnie Doon. Over 75 young musicians participated in the Concert Band, Jazz Band, and two new groups, the Concert Choir and Jazz Choir. In addition, Clarinet Choir, Flute Trio, Woodwind Quantet, Brass Quintet, Percussion Ensemble, Jazz Combo, and Beginning Guitar Class also performed throughout the year. In total, the music group gave over 40 group performances. These included a Fall Concert, Christmas Concert, Spring Concert, participation in the Northern Alberta Stage Band Festival held in Vancouver in conjunction with Expo 86. Our final performances were for the Awards Night and the Graduation Ceremonies. The music program concluded a very successful year with its annual awards banquet.

Success*

The fifteenth annual Bonnie Doon Bridge Building Derby was a huge success in 1986. Dr. S. Simmonds, a guest from the Department of Civil Engineering, U of A, who has attended most of the past contests was amazed at this year's results. In the contest, Physics 30 students who volunteer to enter, design and construct a balsa wood bridge to span the distance between two "abutments." The bridges are weighed and then tested to determine the maximum load they can hold up. The load is then divided by the weight of the bridge to determine what is called the "quotient." The largest quotient wins. Loi Diep constructed the most efficient bridge that has ever been seen, attaining a quotient of 3886 which surpasses the previous high of 2840 set in 1981. The other seven contestants are to be congratulated on their models also, many of which broke previous records. As a prize, Loi received a valuable reference book: "Handbook of Chemistry and Physics."

A Big Success

Bonnie Doon held its annual Open House on Tuesday, March 18, this being the most successful that Bonnie Doon has ever hosted. Many interesting displays and demonstrations were done by "Students in Action." Activities ranged from burning paper dollars, a singing tea pot, and copper plating nickels and dimes in the Chem lab to a Social Studies debate. The popular "Cafe International" again offered various delights from the different cultures.

Action!

Once again this year Bonnie Doon was fortunate to have the performance of a drama production. The workshop production of the play "Present Tense" by John McNamara was presented in the beginning of June after two months of rehearsals and planning. It took much dedication to prepare the play in this short time period, and much credit should go to all involved.

A Gourmet's Dream

With a great deal of effort from the Food Studies students, Bonnie Doon held the International and Canadian Food Fair on April 23. Foods from almost every country were prepared and presented with appropriate background posters. Many students, staff, and parents lined up to enjoy the delicious buffet meal.

All in a Day

Many students took advantage of the government sponsored trips to Vancouver's Expo. Three one-day trips were organized, along with a 4-day trip in July and the Band and Choir tour. All had tiresome trips, but were fascinated by the interesting sights and pavilions.

Team Spirit

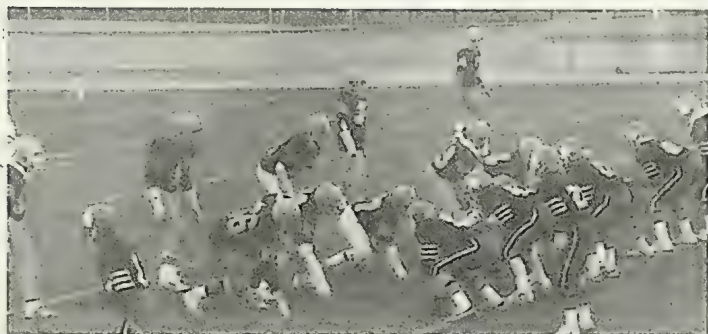

Hard Work and Determination

THE SENIOR LANCERS finished the regular season with a 3-3 win/loss record, losing the final game to McNally by one point. This put the team just short of a playoff spot. The season was highlighted with a convincing win against the Vic Redmen who eventually won the City Conference Championship. B.D. has had many teams that have surpassed this year's winning record; however, few have exemplified the hard work and determined effort of the 1985 Lancers.

BACK ROW: Ben Jeske, Shawn Melnychuk, Ray Khaddage, O.J. Lepps, Pat Sauve, Dale Swyripa, Duane Taylor, Mr. Senuik (coach). FRONT ROW: Craig Collier, Richard Widynowski, Dave Vojtisek, Russell Reder, Barton Cochard, Trevor Federkiewicz, Pat Rife, Ted Drewniak.

A *Promising Team*

THE JUNIOR LANCER FOOTBALL TEAM was composed almost entirely of Grade 10 students who range in size from 5' - 98 lbs. to 6'2" - 210 lbs. Although the team was not successful in the win/loss column, most of the boys showed tremendous improvement in their individual skills and understanding of the game. These boys should form an excellent nucleus for Bonnie Doon Senior Teams in the future.

BACK ROW: Blaine Cariero, Scott Bowley, Colin Konrad, Mike O'Hallaran, Lincoln Arkinstall, Sean Whelan, Jeff Harris. THIRD ROW: Roy Shermack, Ken Pugh, Mike Kew, Mike Nenn, Cliff Lammeren, Gerald Bleau. SECOND ROW: Steve Piasetsky, Jeremy Smith, Shayne Robinson, Scott Darrington, Gary Croome. FRONT ROW: Mr. Brice, Cst. McCartney, Mr. Ross (coaches). MISSING: Dennis Aquin, Cam Carpenter, Oliver Harris, Uel Livingstone, Lincoln Nolan, Marrel Payne, Heath Scott, Dallas Smith, Jason Schweitzer, Todd Vaillant.

Always on Top

THE SENIOR BOYS provided Bonnie Doon with a great volleyball team again this year. The 1985-86 team finished close to the top in everything they did. They participated in two tournaments this season - one in Yorkton and also Harry Ainley's TVT. The team won the consolation round in the TVT and placed fourth in the Yorkton tournament. In regular league play, the team placed a well-deserved second, but lost to Salisbury in the semi-finals. Despite the tough breaks, the team still had a great season.

BACK ROW: Mr. Lerbekmo (coach), Troy Marchak, Tim Antoniuk, Ken Lowry, Mike Payne, Mike Irvine, Mike Klemm, Jeff Rawlings, Brad Smith (coach). FRONT ROW: Susan Trembley (manager), James Lamouche, Carey Grenke, Carl McLeod, Rick Wainwright (manager). MISSING: Darlene Heidemann (manager).

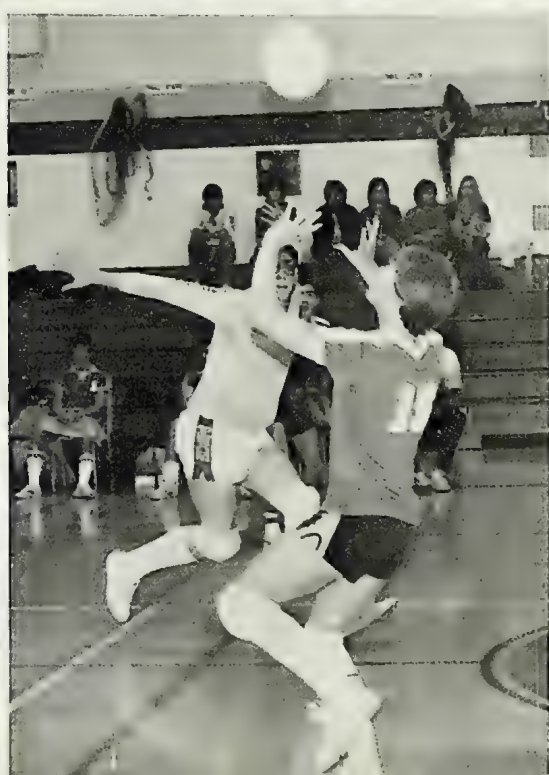

The Best Year Ever

THE JUNIOR BOYS volleyball team this year has possibly their best season ever. The team participated in and won the championship trophy in tournaments at Bev Facey and O'Leary. The boys were also successful in league play. They entered the Premier Conference playoffs in second place. Sweeping their quarter and semi-final matches, the team had a disappointing loss to Scona in the final. The boys were awarded the silver medal for their fine efforts, ending off a great season.

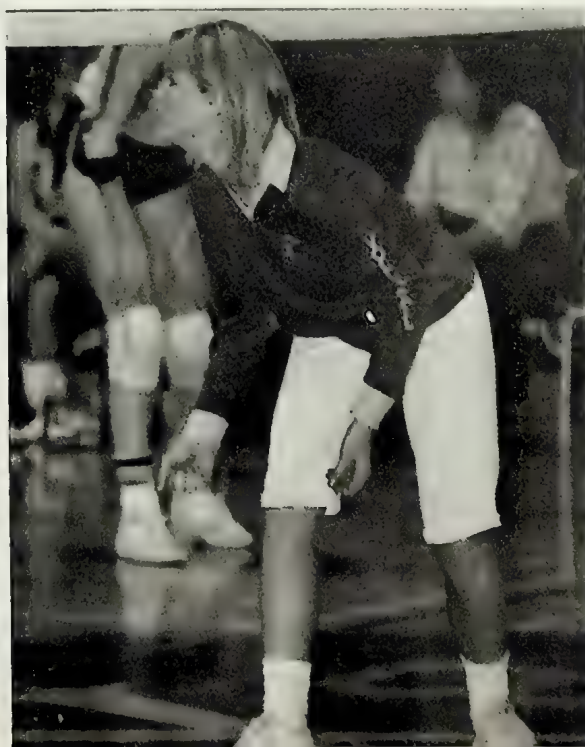

BACK ROW: David McLennan, Dirk Kelm, Darby Higdon, Corey McConnell, Ken St. Laurent. FRONT ROW: Mr. Heffel (coach), Eddy Leung, Ken Moes, David Metchooyeah, Scott MacKenzie, Stan Mihelcic (manager). MISSING: Joji Ishakawa, Ken Kawashima, Dieter Schmidtke (coach).

A Big Improvement

THE SENIOR GIRLS' TEAM had one of their best seasons of volleyball ever. The season began with an all-day clinic and quickly proceeded to league play. Most of the league games were used to learn and practice new positions for many players as well improve their defence. Towards the end of the season, defence became one of the team's strengths. Much energy was put into tournament play with the team getting closer to winning with each successive weekend. Twice the girls finished in the quarter-finals, twice in the semi-finals and lost a close match in the finals during their tournament competitions. Two road trips to Red Deer and Lac la Biche were among the highlights of this season. Another highlight was a parent night during which parents, family members, team players and coaches enjoyed an interesting evening of recreation and good eats. Parent support was much appreciated throughout the season. The team members had a very enjoyable year under their coaches Mike Trent and Mrs. Spillett.

BACK ROW: Mike Trent (coach), Wendy Chow, Duana Schlender, Jackie McKenzie, Debbie Mathieson, Susan Woods, Leah Mohn, Mrs. Spillett (coach).
FRONT ROW: Kris Ly, Holly Morin, Cindy Woruschuk, Pam McCarthy.
MISSING: Michelle Cooper, Kerri Hounslow.

Ups and Downs

THE JUNIOR GIRLS' VOLLEYBALL TEAM had an inconsistent season. They experienced both ups and downs. An extreme high was achieved when the girls almost defeated Harry Ainlay in league play. The girls participated in tournaments, placing second in the Bev Facey tournament. Here they played both organized and consistent volleyball, reaching the limit of their potential. The girls were coached by Ed Gillis and Jodean Hapienko and showed a great improvement over the season. They had a lot of fun, thanks to their staff advisor and the biggest fan, Graham "let's get pumped" McCartney. The girls are looking forward to a great season next year.

BACK ROW: Lori Mathieson, Diane Knorr, Suzy Darrington. MIDDLE ROW: Pam Challoner, Cherry Oliver, Penny Cochard. SITTING: Eddie Gillis (coach). MISSING: Rhonda Hanscom, Cathy Issac, Wendi Melinchuk, Shauna Milne, Jodean Hapienko (coach).

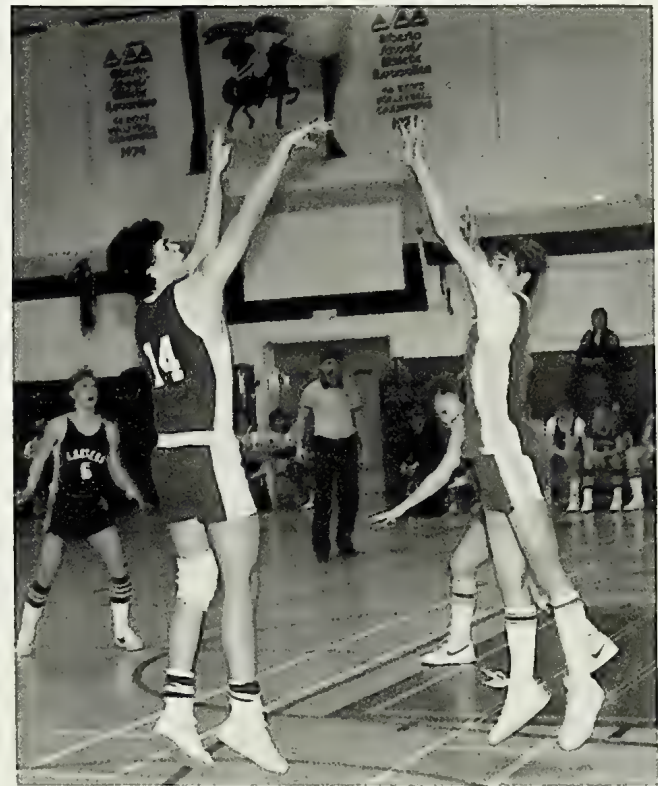

The Making of Champions

BACK ROW: Mr. Ross (coach), James LaMouche, Barry Westerlund, Doug Reid, Carl McCleod, Troy Marchak. FRONT ROW: Haripaul Pannu, Nader Behzad, O.J. Lepps, Dan McCreedy. MISSING: Jeff Rawlings, Duane Cook.

THE SENIOR BOYS had an outstanding season. Other than league play, the team also participated in tournaments at J.H Picard, Salisbury, and on the road trip to Grand Centre. With a slow start, by the end of the season, the team had improved greatly and was playing as a whole. Each member contributed to moving the team from fifth place to first in the City Conference. In the play-offs, the team advanced to the finals and beat St. Francis Xavier to become city champions.

BACK ROW: Darby Higdon, Don Neurauter, Corey McConnell, Scott Bowley, Scott Garrett. FRONT ROW: Brett Stephenson, Ken Moes, Gerald Bleau, Kourous Behzad, Cam Dewar, Mr. Barnes (coach). MISSING: Dirk Kelm.

THE JUNIOR LANCERS had a fine season, finishing first in the City Conference after league play. In the play-offs, the team advanced to the semi-final, but lost a brutal game to W.P. Wagner. A very sound team, the only thing lacking was the tight defensive play necessary for champions. Perhaps more important than the successful amount of games won was the boys beginning to play as a team. The team matured, developing their athletic abilities and sportsmanship.

A Season of Victories

A Dedicated Team

THE SENIOR GIRLS BASKETBALL TEAM had its ups and downs this season. Even though they didn't finish that high in the standings during the regular season, they had an impressive showing at a tournament in Grand Center. They managed to capture the Consolation Trophy. It was a season for personal improvement which is attributed to long hours of practicing and much dedication. Each member of the team gave outstanding effort which was part of the individual achievement. Irene Sommerfeldt possibly had her best season yet. Special congratulation goes to Debbie Otteson for representing Bonnie Doon at the NAIT Annual All-Star game.

BACK ROW: Shannon Schurmann (coach), Shauna Milne, Debbie Otteson, Caroline Janke, Linda Bilida, Carmen Holtner, Debbie Mathieson. FRONT ROW: Holly Morin, Irene Sommerfeldt, Heather Reid, Darlene Heidemann.

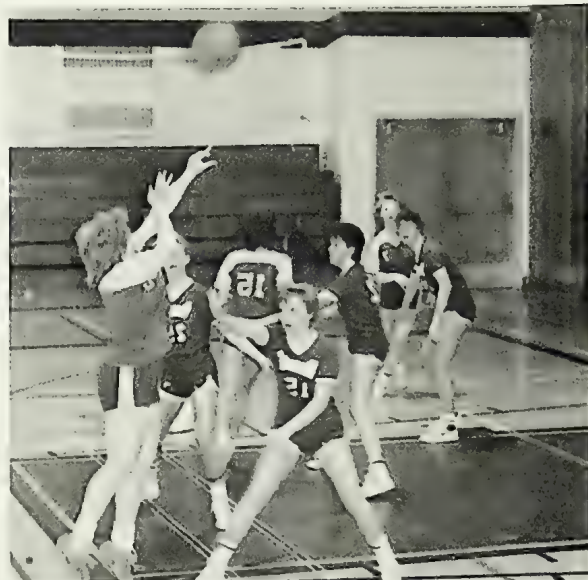

BACK ROW: Karen Giebelhaus, Connie Surrey, Diane Knorr, Donna Bacon, Leah Mohn, Lori Mathieson. MIDDLE ROW: Miss Holder (coach), Ayan Nalayeh, Wendy Chow, Kerri Scott, Cherry Oliver, Danielle Campbell (assistant coach). FRONT ROW: Tracy Hammacher, Suzy Darrington, Amal Nalayeh.

Hard Works in a Tough Season

THE JUNIOR GIRLS BASKETBALL TEAM pleasantly surprised just about everyone by having an extremely successful season. Through hard work and a lot of determination the girls reached the City Conference semi-finals. Some highlights of this season were when the girls had a gruelling game against St. Joes, and ended up losing by a single point. From there the girls went on to defeat McNally by two points in a hard fought match. Good work girls!!

Hard Work...

BACK ROW: Darby Higdon, Mark Karpinski, James Lamouche, Jeff Gawlicki, Craig Collier, Ben Jeske, Ian Oppen, Russ Reder, Dave Walker, Sean Whelan, Bruce Hatch, Mike Polowick, Mike Lundquist, Sheldon Warawa, Shawn Melnychuk, Doug Lunn, Mr. Heffel (coach). **FRONT ROW:** Doug Beck, Pat Sauve, Ken Boswell, Joe Sekida, Marrel Payne, Scott VanDusen, Jeff Rawlings, Andy Berdahl, Grant Bartko, Trevor Federkiewicz, Rick Wainwright, Dave Vojtisek, Cam Dewar, O.J. Lepps, Glenn Baker. **MISSING:** Greg Lechelt, Cody Stiles, Mike Coffill, Todd Broadbent, J.J. Johnson (coach), Brian Cox (coach).

THE RUGBY TEAM'S season was full of highs. In regular season, the team had a 6-1 record. The only lows of the season came when several players were lost due to minor injuries, resulting in a tough 8-6 loss to archrival McNally. However, the highs of the season made up for this loss. The team went on to beat St. Albert 36-3 in the city semi-finals. Then, in the finals facing McNally again, B.D. triumphed with a convincing 23-10 win to become City Champs. Congratulations go to the team and also a great deal of credit to Mr. Heffel for his superb coaching in leading the team to victory.

Pays Off!

The United Nations

BACK ROW: Samson Berhane, Graham McCartney (coach), Mark O'Brien, Kouros Behzad, Terry Porfon, Dirk Kelm, Tri Chung, Mukhtar Nalayeh, Dat Tran, Jamie Taylor, Bunleng Kromhunthod, Carlos Melara. MIDDLE ROW: Andrea Bynoe, Dave Metchooyeah, Surinder Dhaliwal, Shane Funk, Roy Seitz, Lakhvinder Viridi. FRONT ROW: Ken Thomas, Greg Tos. MISSING: Dave Stachniak, Mike Kai, Ray Khaddage, Mike Neuman, Bruce Steward, Thai Nguyen, Andy Nugent.

THE SENIOR BOYS SOCCER TEAM was an interesting team. The organization of the team was a challenge as the entire "United Nations" were represented by the boys. There were many different nationalities among them. The young men that played for BDCHS showed a lot of determination and class in pulling and working together for a common goal. Players like Ray Khaddage, Mark O'Brien, and Carlos Melara showed the needed leadership and skill that helped lead the team to several victories. Additions to the team, like Greg Tos, gave it the scoring punch necessary for success. The other players all combined to create a talented team that had much potential. This potential was shown throughout the season by the powerful play which led to the many victories. With all the interest and dedication shown by grade ten and eleven students, The 1987 team should be very strong.

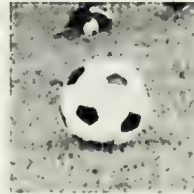

BACK ROW: Jose Ariza (coach), Tricia Ariza, Amal Nalayeh, Christa Black, Marla McDonnell, Kris Ly, Shauna Milne, Suzy Darrington, Lori Mathieson, Debbie Mathieson, Holly Morin, Mrs. West (sponsor). FRONT ROW: Amanda Marshalsay, Ayan Nalayeh, Sandy McLeod, Renée Loisel, Pam Challoner, Kerri Smith, Darlene Heidemann. MISSING: Lorene Broemling, Heather Reid, Cheryl Stachniak.

Improving

THE SENIOR GIRLS SOCCER TEAM did not do too well in league games, but they improved their skills during the season. This year the girls had a new coach outside of Bonnie Doon, and considering all the practices and inexperienced players the team had, they did a very fine job. Special congratulations go to Tricia & Darlene for representing Bonnie Doon and Tricia for scoring a goal in the NAIT All-Star game.

An Impressive Team

THE TRACK TEAM at Bonnie Doon was small but impressive this year. Many athletes trained over the winter months to be well prepared for the spring meets. Good efforts were made by all in the Divisional meet, where around fifteen students qualified for the City meet. Here, Bonnie Doon received another outstanding showing as many medals, including golds by Teresa Rich and Nikki Glandon, were brought home.

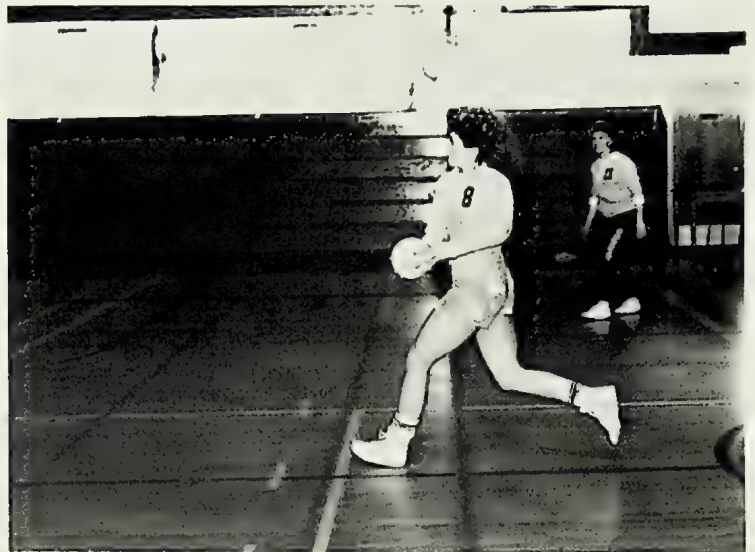

BACK ROW: Donna Bacon, Leah Mohn, Dreena Fedoruk, Diane Knorr, Rhonda MacLennan, Karyn Rife, Cheryl Stachniak, Janelle Unguran, Dave Stachniak, Teresa Rich, Mrs. Smarsh (coach). FRONT ROW: Rachel Muir, Paula Waldnor (manager), Arlene Plitt. MISSING: Nikki Glandon, Gail Minty, Pat Sauve, Cathy Hryniw.

New to Bonnie Doon

TEAM HANDBALL is a little known interschool sport, but Bonnie Doon girls seemed to show a lot of interest. This year was a real learning experience as the majority of the girls had never played the game before. There were lots of ups and downs, but enthusiasm was never lacking. The team was led by captain Carmen Holtner and the strong arms of Diane Knorr and Debbie Mathieson. The team feels they owe thanks to the great fan contribution (from all four fans - Rich, Ranj, Ken and Mike) for their constant support.

BACK ROW: Shannon Schurmann (coach), Leah Mohn, Carmen Holtner, Debbie Otteson, Rhonda MacLennan, Linda Bilida. MIDDLE ROW: Heather Reid, Diane Knorr, Debbie Mathieson. FRONT ROW: Donna Bacon, Shauna Barnes, Tina Grunwald.

The Grad Executive met twice a week during noon hours to devise plans for three main grad functions: Tea, Commencement Ceremony, and Banquet and Dance. All three proved to be very successful and were enjoyed by all who attended them. For fundraising the Exec sold exclusive Grad '86 Bears and worked at bingos. Instead of the usual "scroll" it was decided that a folder complete with certificate and picture would be presented to each grad at the Ceremony. Congratulations to the Grad '86 Executive; they did an excellent job.

A Non-traditional Grad Tea

The evening of May 7 was a special night for all who attended the 1986 Graduation Tea. In past years, the Graduation Tea has been a traditional time to pay tribute to the mothers of the graduands, this year both parents were invited to join the festivities. The guest speaker, Tom Townes, a Bonnie Doon graduate and professional football player for the Edmonton Eskimos, added a bit of humour to the proceedings and aided in the great turnout of fathers and male graduands.

The theme "Through the Years" was emphasized through various toasts and speeches which were directed at the special relationship between parents and graduand. Other entertainment included both dance and drama productions along with various musical selections by the school band and choir. The evening concluded on an amusing note, with a showing of baby slides of the members of the 1986 Graduating Class.

Today Tomorrow Always

On Friday, June 13, 1986, the Graduating Class gathered at the Jubilee Auditorium for their Commencement Exercises. The evening began with a procession of the Class of '86 into the auditorium and the singing of O Canada by Jackie McKenzie and Jeff Muth. Mrs. S. Stiles and Mr. W. Krull, who gave Reminiscences, offered their advice and best wishes to the graduands. Dr. N. Gray did an excellent job as Guest Speaker. The graduands were entertained by Class Historians Darlene Heidemann and Shawn Melnychuk and touched by a special message from Valedictorian, Stephanie Hawrylak. The evening was highlighted by the singing of the Theme Song "I Will Never Pass This Way Again" by Cindy Werner and a moving song by the Bonnie Doon Choir. This was one night the graduands of '86 will not soon forget.

Class President. Honorary Class President. Graduates. Parents. Ladies and Gentlemen.

It is my pleasure and privilege to address the class of 86. It is also rather frightening when I realize it is 24 years since I sat where you are now. For you, commencement is today. The root word is commence, which means to begin, which is today, when your diploma is conferred upon you. (Yesterday cannot exist if the beginning is today. Tomorrow can be looked forward to but certainly does not exist today; forever then must then be never. Is this confusing? Can only the moment we are in be true and all else false?)

This might be so if it were not for the presence of a human quality called memory. Memories are what put today and tomorrow in perspective. Memories are forever. You have to begin to lose your memory, if only in bits and pieces, to realize that memory is what makes our lives. Life without memory is no life at all. Our memory is our coherence, our reason, our feeling and even our actions. Memories of yesterday are what we base our learning of today upon. And after all, we are acknowledging today your ability to learn.

Might I give you an example of learning. When we as parents sent you to school you began your elementary education. Amongst other things we expected you to learn how to count. By the end of elementary when you were asked what came after six you promptly responded Saturday morning cartoons. Upon the completion of Junior High when asked what came after nine your answer was the Bill Cosby Show. Now after twelve years we see the results and there is evidence of learning. Tonight when you are asked what comes after twelve I am sure many of you will respond "After Grad."

After twelve years some of you will go on for further formal education. Many of you will go on to practical education programs. All of you will go on to some form of education because learning does not stop tonight. There are some easy lessons, and some hard lessons but all knowledge requires work. Try never to leave anything to chance but should this happen remember that chance favors the prepared mind.

Remember your teachers, for they have had a difficult time pounding abstract thoughts into concrete heads. Remember your teachers, for they were not striving so much to teach as they were

encouraging you to learn. Teaching and learning is well illustrated with this anecdote. A student who parked a car on the University of Toronto campus found this note on it from the great communicator, Marshall McLuhan, "You are parking in my spot. Please find another elsewhere." The following day she replied to his note. "Dear professor, as you will realize, I moved. I am most grateful to you. Your note is the first of your writings I have fully understood." Remember your school. It has become a store house of knowledge. Perhaps this is because through the years the freshmen bring so many things and the seniors take away so little. As a senior do not make this mistake. Burden yourselves with all you can carry from here (and I don't mean the books and bricks themselves but the knowledge stored in them). Whatever you choose to do, demand of yourself the fullest. Perhaps the most valuable result of all education is the ability to make yourself do the things you have to do, when it ought to be done, and whether you like it or not; it is the first lesson to be learned; and however early a person's training begins, it is probably the last lesson he learns thoroughly. In the late 60's and 70's many in our society struck on the notion of "doing your own thing." Unfortunately for many this meant doing nothing. Let me relate a short note on Nothing which Dr. John Paterson aired on his CJCA program. People tend to look at the word nothing and belittle its importance but the fact is that it can mean life or death, success or failure, joy or sadness. Mountain climbers have died when they have stepped upon it. Parachuters are upset when they pull the rip cord and it comes out. Farmers have lost their farms when they grow it and ballplayers and hockey coaches lose their jobs when they score it. On the other hand women have been whistled at when they wear it and many women make a good living dancing in it. It is also a reason for joy when it represents the sum total of your debts. It is what you earn when you do it. I have saved it over the years and now have it in my bank account. It is what you generally learn from a politician making his speech. It is often discussed at meetings and in arguments and fights start over the subject. I often find it in my mail box and only last night I got it from a milk machine. I could go on but it would mean nothing. For you the class of 86 do something! Then perhaps in the future you may pass this way again in your memories.

Thank you ladies and gentlemen.

Dr. N. Gray - Guest Speaker

SHAWN: Good evening ladies, gentlemen, honored guests, fellow graduands . . . Now what?

DARLENE: We're the historians we're supposed to do the class history!

SHAWN: Oh yeah! . . . 1968 - that was a great year - a year for the Beatles and Prime Minister Trudeau . . .

DARLENE: Shawn 1968?! That was the year you were born. I don't think we're supposed to go that far back!

SHAWN: I guess you're right . . . you do it!

DARLENE: Before we start I'd like you to notice our '86 - it was last year's '85!! Do you remember our first day at Bonnie Doon? Do you remember how we felt? We felt impending anguish, horror, consternation, trepidation and 26 other feelings.

SHAWN: Let's face it, Darlene, we were just plain scared!

DARLENE: We shivered as we walked down the hallways of the monstrous green machine, which had seemingly endless hallways and HUGE Grade 12's. Out of all the words we heard that week the word we dreaded most was that five letter word - FROSH!

SHAWN: Once you heard that word, let's face it, you were pretty stupid if you stuck around! We all have to admit though, that after we got into the swing of things, Bonnie Doon wasn't really that big and was actually pretty fun. NOTE: that doesn't include examinations.

DARLENE: After frosh, we had time to relax and remember the real reasons we came to high school. We came to develop, mature, broaden our horizons and, most of all, get that well needed education.

SHAWN: That's what our parents thought! Sure we had a lot of opportunities to do that . . . but the best opportunity was to meet all those better developed girls!

DARLENE: What else did we do to "get that education" you may ask? Well, first of all, we degraded ourselves by getting auctioned off during Slave Days, believe me our masters had NO mercy.

SHAWN: Then we held a Halloween car rally, where we threatened life and limb just to search for gummy!

DARLENE: We held our ever popular Air Guitar, twice as a matter of fact because it ran so smoothly with Bonnie Doon's great sound system.

SHAWN: And last but not least we went to a lot of sold out dances: the Beach Dance, Spring Proms, Pyjama Dances and get this - even an Ian Oppen, Brad Ascheton-Smith Edmonton Youth Emergency Shelter Benefit Dance. We all know we can't help but to forget those.

DARLENE: There were many clubs you could take a part in too. These included the Kolonia Club, Badminton, Boat Racing, Chess, and the one that made us most famous was Bonnie Doon's OFFENSIVE Driving Club. Here we must make mention of the guy with the Brown Torino which we all left a small part of us in.

SHAWN: The most popular event in Bonnie Doon's sports history was the Lancer Cup. It was the biggest party in all of high school with athletes who travelled from all across Canada to participate in our volleyball tournament and to see our cheerleaders' one and only performance. Bonnie Doon has always been competitive in volleyball, track and field, and soccer. The Senior Boys' Basketball Team, underdogs, came out victorious to win the City Championship. We had two other championship teams: the Girls' Field Hockey Team and the Rugby Team.

DARLENE: What about football, Shawn?

SHAWN: Well, Papa Bear and the boys put up a valiant effort but we just couldn't beat the odds against McNally. The pressure was so thick you could cut it with a knife. Picture it - 10 000 screaming fans simultaneously doing the wave, holding garbage can lids and yelling out Bonnie Doon's famous cheers "oogie, oogie, oogie" and "ahhh."

DARLENE: We should say thank you for the half time show and to the cute little male cheerleader with the checkered shirt - NICE LEGS!

SHAWN: By the way how did the Senior Girls' Soccer Team do? I heard you scored five goals by unusual techniques. Go ahead. Tell

them how you did it.

DARLENE: This isn't in the speech, Shawn!

SHAWN: That doesn't matter, TELL THEM!

DARLENE: Do I have to tell the truth?

SHAWN: That would be a nice idea!

DARLENE: Well, I'm trying but I can't remember winning any games . . . I think that had to do with nucleoid wastage from the Chernobyl incident. Three out of our five goals were scored fair and square! And one of the others was a great shot by Heather "Smith" Reid, the only thing wrong was that it was on our own net. The fifth and final goal was scored when somebody from one of the other teams returned the favor. Now are you happy? Can we go ahead?

SHAWN: Bonnie Doon once again had an excellent band which put on tons of \$10 concerts after assemblies. They were very successful in the Kiwanis Festival and managed to survive a long DRY trip to Expo.

DARLENE: For the first time in a long time Bonnie Doon once again had a choir, who led many magic moments with their beautiful harmony which rang through the school at many different occasions. Thank you for singing loud enough to drown out all of us out of key vocalists at Christmas time while caroling.

SHAWN: Moving right along . . . Even though everybody will have their own memories at good old BD, somewhere along the line they'll remember the ski trips, canoe trips, and the usual hang outs: the cafeteria, Mill Creek, McDonalds, drive-ins, and OUR PLACE.

DARLENE: Some other things we'll remember and must say thank you for: first, there's the yearbook, quite appropriately named, because it's always a year late. Thank you once again for allowing us to have the After Grad and the departmentals so close together. WAY TO GO! Last, but not least, we must say thank you to the friend some of us have gotten quite attached to. You guessed it - THE PHONE HOME COMPUTER! You know the guy with the pre-recorded message that didn't work for half the year and which we cleverly schemed to outsmart for the second half.

SHAWN: This speech wouldn't be complete without mentioning our staff. Starting from the top Mrs. Stiles who was the master mind behind the repainting of Bonnie Doon with all those pretty colors. I heard rumors that she hired somebody from Parks and Rec to redecorate our cafeteria.

DARLENE: And then there's Mr. Senuik who doesn't pass you unless you're a football player, right Shawn? What is your mark in Social anyway, Shawn?

SHAWN: Uhh . . . 90. In the Biology Department is cool, calm and relaxed Mr. Barnes, with a frog in one hand and a piece of chalk in the other. I don't know about you, but all through Biology 30, I don't remember him EVER putting that chalk down.

DARLENE: We can't forget Rosco, our answer to Steve Podborski . . .

SHAWN: And Luch the friendly giant . . .

DARLENE: Mr. King the badminton playing lawyer with the green sweater . . .

SHAWN: All the Phys. Ed. staff who keep insisting that Phys. Ed. is the toughest course in high school . . .

DARLENE: And last, but not least, is everyone's favorite pair, the "Odd Couple". Mowat and Brice, who did a fine job of chasing down all our absentees, and were virtually inseparable. Well, that concludes . . .

SHAWN: Wait! I forgot to tell you we received a few telegrams.

Dear Bonnie Doon:

Sorry I could not attend your Graduation Ceremonies as I had to tend to urgent government business.

Sincerely,
Prime Minister Brian Mulroney
Honolulu, Hawaii

DARLENE:

To the Grads at Bonnie Doon:

Unforeseen circumstances made it impossible for me to be with you all on this special night.

Yours truly,

Wayne Gretzky

From the Calgary Flames Pep Rally

SHAWN:

HEY DOON:

Didn't have no time with all these projects going on. Send you all a Grad present.

Signed,

Sylvester Stallone

On location for his next Rambo film

DARLENE:

Congratulations Bonnie Doon:

We have always loved and admired you. We must finally admit, on this night, that your school is superior to all those in the city.

Best Wishes,

From everyone at MCNALLY CHS

SHAWN: Well, that's it. Our speech is finally over. as is our Grade 12 year. (At least for those of us on the three year plan!) We couldn't single out an individual because there are so many great people.

DARLENE: It's been a great year. NOW GO PARTY. YOU DESERVE IT!!!

Darlene Heidemann and Shawn Melnychuk - Class Historians

Good evening fellow graduands, teachers, parents and friends.

We are assembled here tonight to celebrate a very special and well deserved occasion. . . a graduation not only from twelve years of hard and rewarding work but from childhood to adulthood. Over the last few years, we graduands have gained the knowledge and skills necessary for us to become successful individuals. We have been well prepared for our journey through life by our parents and teachers. They have done their best to educate and develop our minds. To them, we owe our deepest gratitude. The encouragement, understanding and love that our parents have shown, will always be appreciated. As well, we shall remember the patience, concern and kindness of our teachers. To our friends, a great thank you is due; for they have filled our school years with excitement and happiness, making these years all the more special and memorable.

Now the time has come for us to move on, each in his own direction. Although we have different plans, goals and dreams, this evening unites us. Common feelings of excitement, joy, victory but also sorrow, are shared. This is our moment of triumph, a time to congratulate ourselves as well as to be congratulated, a time to hold our heads high in pride; for we have accomplished a goal that some may never come to know. TONIGHT is OUR graduation.

Not so long ago, we timidly walked into our first grade class, apprehensive yet curious. While we preferred to be outside playing in the warmth of autumn, we were expected to sit still and pay attention; to listen, and to learn. After that first week, we realized that school was not so terrible. Meeting new friends, learning to cooperate, and discovering hidden skills were exciting. Those first six years passed quickly and soon we found ourselves in junior high. There, we learned the meaning of responsibility, and homework, both of which contributed to the expansion and maturation of our minds. Last, came high school, a new kind of challenge for us to face. Through determination, hard work and the help and support of our teachers, parents and friends, it is now an accomplishment.

The moment has come to bid farewell, though with sorrow, for we shall miss the familiar and friendly atmosphere of Bonnie Doon. The memories of our high school years and the friendships gained will forever be cherished. Accompanied with the knowledge and skills we have developed, we are prepared to throw open our doors and meet the new challenges of life as young adults, to look forward, and plan for the future, OUR future. Some of us will choose to enter the work force immediately, still others will continue their education. Nevertheless, each and every one of us

will be faced with many important decisions throughout life. One must remember that once a major decision has been made, it is often difficult to change. Robert Frost's poem, "The Road Not Taken," expresses this idea and I would like to take a moment to share it with you:

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
I took the one less traveled by,
And that has made all the difference.

Thus, my friends, be wise in your choices; never be too rash. Take time to consider the consequences; for each person is responsible for his own decisions and must live with the results. A decision thought about yesterday, made today, and still honored tomorrow, is undoubtedly a wise one.

In closing, I wish upon you only the very best of luck. May each of you succeed in your future endeavors, fulfill your greatest hopes and dreams, and lead happy, healthy, prosperous lives.

Congratulations Class of '86 and farewell.

Stephanie Hawrylak - Valedictorian

A Celebration

Saturday, June 14th, 1986 marked a special occasion for the 600 grads, parents, staff members and special guests who gathered at the Terrace Inn for the Grad Banquet and Dance. The evening was a jubilant celebration as grads, dressed in tuxedos and evening gowns, enjoyed a lovely meal followed by a few brief toasts and speeches. The annual Grad Popularity Poll Awards were also presented to deserving winners by the yearbook staff. Finally, ASI Productions provided the music for the grads to end the festivities with a terrific dance. The celebration did not end after the last dance, however. Many grads took part in celebrations that carried on throughout the evening, ending the weekend in fine fashion and making Grad '86 unforgettable for all who took part.

MIDDLE RIGHT: Mr. Schnee presents a reply from the parents.

LOWER LEFT: Grads and their parents enjoy the festivities.

LOWER RIGHT: Kelly presents gifts to the various faculty advisors.

KANDIS ADAMACHE: "There's always a good for a bad, so don't get down on yourself, make your dreams become realities." Her memories include Eng with R.H., R.S., F.R., parties with H.W., special times with J.O. Kandis plans to work in a lawyer's office or in a bank as a teller; then in a year maybe to NAIT and later get married.

JACQUELINE ANDERS: "Whatever is meant to be yours, you will receive, just give fate a chance." Her memories include the hall of wacky women, German & Papa Uli, choir, Ang, Expo '86, Glowworm, playing in the streets, rollerskating & massive crushes. "Tam O'Shanter" - A Tale by Robert Burns

O Tam, had'st thou but been sae wise,
As taen thy ain wife Kate's advice!
She tauld thee weel thou was a skellum,
A blethering, blustering, drunken blellum;
That frae November till October,
Ae market-day thou was nae sober;
That ilka melder wi' the miller,
Thou sat as lang as thou had siller;
That ev'ry naig was ca'd a shoe on,
The smith and thee gat roaring fou on;
That at the Lord's house, even on Sunday,
Thou drank wi' Kirkton Jean til Monday.
She prophesied, that, late or soon,
Thou would be found deep drown'd in Doon,
Or catch'd wi' warlocks in the mirk
By Alloway's auld, haunted kirk.

But to our tale: - Ae market-night,
Tam had got planted unco right,
Fast by an ingle, bleezing finely,
Wi' reaming swats, that drank divinely;
And at his elbow, Souter Johnnie,
His ancient, trusty, drouthy cronie:
Tam lo'ed him like a very brither;
They had been fou for weeks thegither.
The night drave on wi' sangs and clatter;
And ay the ale was growing better:
The landlady and Tam grew gracious
Wi' secret favours, sweet and precious:
The Souter tauld his queerest stories;
The landlord's was ready chorus:
The storm without might rair and rustle,
Tam did na mind the storm a whistle.

The wind blew as 'twad blawn its last;
The rattling showers rose on the blast;
The speedy gleams the darkness swallow'd;
Loud, deep, and lang the thunder bellow'd:
That night, a child might understand,
The Deil had business on his hand.

Inspiring, bold John Barleycorn!
What dangers thou canst make us scorn!
Wi' tippenny, we fear nae evil;
Wi' usquabae, we'll face the Devil!
The swats sae ream'd in Tammie's noddle,
Fair play, he car'd na deils a boddle.
But Maggie stood, right sair astonish'd,
Till, by the heel and hand admonish'd,
She ventur'd forward on the light;
And, wow! Tam saw an unco sight!

Warlocks and witches in a dance:
Nae cotillion, brent new frae France,
But hornpipes, jigs, strathspeys, and reels,

Put life and mettle in their heels,
A winnock-bunker in the east,
There sat Auld Nick, in shape o' beast;
A tousie tyke, black, grim, and large,
To gie them music was his charge:
He screw'd the pipes and gart them skirl,
Till roof and rafters a' did dirl.
Coffins stood round, like open presses,
That shaw'd the dead in their last dresses;
And, by some devilish cantraip sleight,
Each in its cauld hand held a light:
By which heroic Tam was able
To note upon the haly table,
A murderer's banes, in gibbet-airns;
Twa span-lang, wee, unchristen'd bairns;
A thief new-cutted frae a rape -
Wi' his last grasp his gab did gape;
Five tomahawks wi' bluid red-rusted;
Five scymitars wi' murder crusted;
A garter which a babe had strangled;
A knife a father's throat had mangled -
Whom his ain son o' life bereft -
The grey-hairs yet stack to the heft;
Wi' mair of horrible and awefu',
Which even to name wad be unlawfu',
Three lawyers' tongues, turned inside out,
Wi' lies seamed like a beggar's clout;
Three Priests' hearts, rotten, black as muck,
Lay stinking, vile, in every neuk.

Ah, Tam! Ah, Tam! thou'll get thy fairin!
In hell they'll roast thee like a herrin!
In vain thy Kate awaits thy comin!
Kate soon will be a woefu' woman!
Now do thy speedy utmost, Meg,
And win the key-stane of the brig;
There, at them thou thy tail may toss,
A running stream they dare na cross!
But ere the key-stane she could make,
The fient a tail she had to shake;
For Nannie, far before the rest,
Hard upon noble Maggie prest,
And flew at Tam wi' furious ettle;
But little wist she Maggie's mettle!
Ae spring brought off her master hale,
But left behind her ain grey tail:
The carlin claut her by the rump,
And left poor Maggie scarce a stump.

Now, wha this tale o' truth shall read,
Ilk man, and mother's son, take heed:
Whene'er to drink you are inclin'd,
Or cutty sarks run in your mind,
Think! ye may buy the joys o'er dear:
Remember Tam O'Shanter's meare.

The 1986 Yearbook Has Been Brought to You by . . . The Riddleculous Conspiritors

"Dirty Deeds . . . Done Dirt Cheap."

While we were not sabotaging an unsuspecting teacher, we were hard at work on this year's Yearbook, among various other things. The first half of the year was taken up by re-decorating a once-drab Publications Room. However, after the smell of paint had diffused, the staff was a blur of business. We never missed a deadline by more than a week, or so.

The Yearbook staff was a strong team: two co-editors who worked like a hand in a glove until the day before each deadline; occasional photographers, some with blurred vision (right Rocky?); and a dedicated cast of reporters who completed their assignments in between Chem. and Physics tests. Special thanks to all those who joined the staff at the beginning of the year then dropped out a week later.

On a less venomous note, we would like to express our gratitude to Ms. Olynk for her counsel; to the Rookie of The Year, Mr. Blackwell, for his dedication and hard work; and to all the teachers who gave us pictures, write-ups in an hour's notice, and everyone else who contributed.

Some people will say this is a lousy yearbook and some will say it's great. Well, we absolve ourselves of all blame and we take all the credit, too!
